PILOT'S SIGNATURE _____ DATE _____

Difference in elevations between launch and landing points may not exceed 10% of distance flown. Out and return flights must be declared before take off to witness signing off task.

1. Each flight must be solo.
2. A flight may count for only one leg of an award.
3. If towing is used, launch point is when towline is released.
4. Witness pertains to anyone who actually witnesses the launch/landing/turn point.
5. Turn point witnesses may be on the ground or in the air, but may not try for an award on the same date.
6. Awards must be applied for in consecutive order, i.e. Bronze, Silver, etc.
7. Application is only valid if signed by the pilot and the applicable witness(es).
